## ABOUT US

KIIT World School, formerly known as New State Academy was established in 1984 founded by the parent society, Vidyapati Sansthan. The society was registered in 1969 under Societies Registration Act - 1860. The founder Principal, Mrs. Satya Kamrah, and Chairman, Dr. Jainendra Kumar, a philosopher, thinker, and world-famous Hindi littérateur, laid the foundation.

The parent society also manages colleges of Higher Education at Gurugram. KIIT College of Engineering, Management College, and KIIT College of Education are prestigious institutions. KIIT College of Education has received 'NAAC' accreditation with an 'A' grade. The school has been giving 100% results in classes X and XII year after year with several meritorious performances. The school focuses on providing education to students and empowering them for leading a life that is demonstrative of the school ethos. It promotes an environment to help an individual grow up to be socially responsible, spiritually inclined, intellectually elevated, and empathetic towards people's concerns.

## VISION

We have a vision of creating a community of connected, confident, Indian global citizens. Our goal is to motivate children to learn 'how to learn' with passion and curiosity. We want students to gain an impetus for lifelong learning and become educated and informed leaders of the future who will collaborate, work and create to improve the quality of life.

## WHY KIIT?

At KIIT, education is a journey to kindle imagination by creating enriching learning experiences in a child friendly, safe and nurturing environment. We believe that learning can be pleasurable when it is based on sensory experiences that encourage a learner to explore, innovate and create.

# FROM THE PRINCIPAL'S DESK

*"We cannot always build the future for our youth, but we can build our youth for the future."*

*– Franklin D. Roosevelt*

We endeavour to see our students cross the benchmarks of academic excellence and, continuously create the new ones. And it would be most satisfying if the community of teachers at KIIT could render a generation of citizens who perceive this world as 'one big family'. The school aims at creating citizens who have the caliber to think beyond their confined self, and their actions too reflect their noble spirits. To realize this vision in true sense we all need sublimity in our thoughts and actions. A narrow vision on part of the educationists would only create a fleet of Engineers, Doctors or IAS officers and may be high profile politicians, who are entirely impaired to combat with grave issues like Global Warming, Global Terrorism, Insurgency, Famines, Starvation, Beggary, etc. Our vision is a possible projection and a ray of hope of a happy future for our world, i.e. 'our one big family.'

WHY TO WORRY, WHEN THERE'S SCOPE  
THERE'S ALWAYS A BETTER HOPE

WHEN THINGS ARE NOT IN YOUR FAVOUR  
NEVER LET FEAR TAKE YOU OVER

EVERYTHING WOULD BE NICE  
AND YOU WOULD SHINE  
WITH JUST A POSITIVE FRAME OF MIND

DONT FEEL SO UNREALISTIC AND HAVE FAITH  
BE OPTIMISITIC AND YOUR FUTURE WILL BE  
BRIGHT , TO A MASSIVE HEIGHT

MANY TIMES WE CRY IN PAIN  
BECAUSE LIFE IS NOT ALWAYS THE SAME

WITH POSITIVITY AROUND AND IN MIND  
THE ONLY SOLUTION YOU WOULD FIND  
IS TO STAY HOPEFUL AND HAPPY ALL THE TIME

HOPE YOU FIND A REASON TO SMILE  
HOPE YOU FEEL DELIGHTED ALL THE WHILE
