### VISION

We have a vision of creating a community of connected, confident, Indian global citizens. Our goal is to motivate children to learn 'how to learn' with passion and curiosity.

We want students to gain an impetus for lifelong learning and become educated and informed leaders of the future who will collaborate, work and create to improve the quality of life.

### ABOUT US

KIIT World School, formerly known as New State Academy was established in 1984 and founded by the parent society, Vidyapati Sansthan. The society was registered in 1969 under Societies Registration Act - 1860. The founder Principal, Mrs Satya Kamrah, and Chairman, Dr Jainendra Kumar, a philosopher, thinker, and world-famous Hindi littérateur, laid the foundation.

The parent society also manages colleges of Higher Education at Gurugram. KIIT College of Engineering, Management College, and KIIT College of Education are prestigious institutions. KIIT College of Education has received 'NAAC' accreditation with an 'A' grade. The school has been giving 100% results in classes X and XII year after year with several meritorious performances. Students have been awarded merit certificates for the Board's highest and are in 0.1% of successful candidates.

The school focuses on providing education to students and empowering them for leading a life that is demonstrative of the school ethos. It promotes an environment to help an individual grow up to be socially responsible, spiritually inclined, intellectually elevated, and empathetic towards people's concerns.

### WHY KIIT?

At KIIT, education is a journey to kindle imagination by creating enriching learning experiences in a child friendly, safe and nurturing environment. We believe that learning can be pleasurable when it is based on sensory experiences that encourage a learner to explore, innovate and create.

# FROM THE PRINCIPAL'S DESK

Dear Reader

I take the opportunity to put forth my views on the holistic development of a learner, which is the need of the hour. The word “education” itself has gone through a sea change. And along with it have changed educators. Still, something is amiss! I say this because there seems to be a wide chasm between the objectives and the outcomes that we set for our learners.

I am not one of those who see everything with rose-tinted glasses. I know the task at hand is not an easy one and at the same time, I am ready with gusto and zest to usher in the change. I am reminded of Robert Frost’s famous lines-

*“The woods are lovely, dark and deep,  
But I have promises to keep,  
And miles to go before I sleep,  
And miles to go before I sleep”.*

I urge not only the students, and teachers but also parents not to get confused between ‘information’ and ‘knowledge’. We must apprehend the relevancy of knowledge that is being passed on to young and impressionable minds in the name of education.

The pursuit of excellence has been my continuous endeavour. I see my students who are on the threshold of their competitive lives to be globally aware, independent, critical, creative thinkers, flexible, communicators, curious, having self-esteem, integrity and perseverance as virtues imbibed in them throughout their school life.

# Moment of Pride

Dr. Sangeeta Bhatia, Principal, KIIT World School became a proud recipient of the 2nd Excellence in Education Award for her exemplary contributions in the field of education for over four decades. This prestigious award was conferred upon her by the President of the Republic of Mauritius, His Excellency Prithvirajsing Roopun. The award is in recognition of the pioneer work Dr. Bhatia has accomplished over the years by inculcating scientific temperament and promoting STEM education among students, innovating, ideating and measuring their achievements and learning outcomes through micro-analysis, and making a simple task like almanac writing a part of students' reflective thinking and means for progressive learning. The award is an affirmation of the fact that she has continuously reinvented herself and her team to stay ahead of the times and technological advancements. A dynamic leader to the core, she remains motivated to help students and teachers adopt and adapt newer ways of teaching and learning. Hers has been a journey wherein she has touched lives of not just one generation rather she has been instrumental in inculcating human values in several members and generations of a family. KIITians take pride in this stupendous achievement!

# Achievements

Adit Saini secured Gold Medal in the 2nd Grand Prix National Taekwondo Tournament whereas Dhruv Singh Chauhan bagged Silver medal in the same event.

Dhruv Singh Chauhan and Raghav Sharma won gold medal in Taekwondo (U 19) Zonal competition whereas Adit Saini bagged bronze medal in the same event.

# Achievements

# Achievements

Nishant Chandna and Pari Sharma of XII secured second position in English Debate.

Kanav Nandwani of class VIII bagged third position in Deshbhakti Kavita Gayan at KR Mangalam School, Greater Kailash.

# Events at KIIT

## Teacher's Day

KIIT World School, Pitampura celebrated Teacher's Day amid great fanfare and gusto. The day was marked by many heartfelt presentations by students wherein they paid tribute to their teachers, mentors, guides and 'gurus'. The program began with ceremonial lamp lighting, seeking the divine blessings. This was followed by a mesmerizing dance performance and a cultural program. The choir group serenaded the audience with their mellifluous rhythm. Senior students presented a play depicting the role of a teacher in every student's life and how they are a change maker. The program concluded on a high note where all the mentors blessed students and wished them for their successful future endeavors.

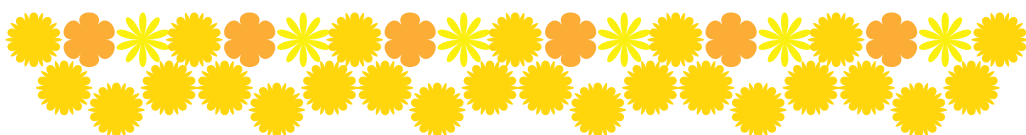

# Events at KIIT

## Divya Utsav

KIIT World School organized Divya Utsav - The Diwali Carnival with great fervour. The program was marked by the launch of #kiitprojectsmile. An initiative to bring smiles to the faces of thousands of people. There were a plethora of game stalls to keep the students and parents engrossed. The lip-smacking food spread left everyone wanting more. The students, parents, and teachers swayed to the rhythm and beats of the latest numbers on the dance floor. There was a cultural performance that kept the audience engaged. The dance performances depicted the homecoming of Lord Rama and the choir group serenaded everyone with their mellifluous presentation. The highlight of the carnival was a giant bouncy where children had a gala time and let their feet loose.

# NCC Cadets at Camp

*Whenever others  
say Red roses are  
beautiful...! I ask  
back to them  
Haven't you seen  
Our Hackle!!?*

Girl Cadets of NCC unit of KIIT World School attended the Annual Training Camp at NCC Bhawan, Rohini. The camp consisted of various physical training activities as well as training on map reading, fire arm, tent pitching, drills, to name a few.

They got a first hand experience of firing practice at Delhi Cantt shooting range.

# Workshops & Training Programme

The Hygiene and Sanitation Committee conducted a workshop on KYP- Know your Plastic program. The key focus was on understanding the plastics that we use and their properties. Students were motivated to refuse, reduce and repurpose plastics..

KIIT World School in association with the Indian Navy organized a workshop for the students of classes IX and X. The workshop was conducted by Captain Yuvraj Singh, Commander Anupam Dakua, and Lieutenant Anupama Thapiyal. The session began with a presentation of a video showcasing the bravery of the Indian Navy in various wars, including the 1971 war where the Navy played a major role.

[Click to expand](#)

Hygiene and Sanitation Committee organized a workshop for students on WASH(Water Sanitation and Hygiene). The efforts of KIIT towards this direction from past many years were also shared with students. They were encouraged to innovate more and contribute towards society.

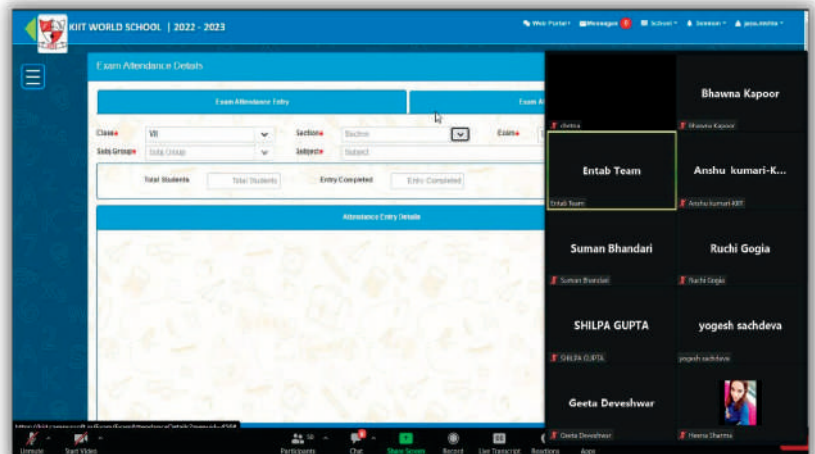

# Workshops & Training Programme

KIIT World School organized a training session on designing anecdotes for students. The resource person was Ms. Garima Bhutani, Scholastic Coordinator. She began the session with an interesting activity where teachers were asked to write anecdotes for two of their favourite students, describing why they are favourite and do they lack in some aspects. The teachers shared the reasons for choosing particular children in their class.

KIIT World School organized an online training workshop on Entab Application. The workshop was conducted by Miss Shalu where she emphasized on how the app helps manage all day-to-day school activities including administrative tasks, teaching, curriculum management, student attendance, etc.

KIIT World School organized a workshop for teachers to educate them about POC SO-Protection of Children from Sexual Offense. The insights of the workshop were given by Ms. Gunjan, school counsellor wherein she started with the introduction about what POC SO is all about and how it is useful for children in school as well as their teachers.

# Workshops & Training Programme

The Mathematics Department of KIIT World School organized a workshop on 'Art Integration in Mathematics' to explore different approaches to Art integration. The aim of the workshop was to acquaint teachers with various forms of art that can be incorporated into their classroom teaching for providing advanced educational experiences that students receive. The goal of education is to give the child a sense of freedom to express and realize his or her own potential.

A workshop on Art Integration in Science was conducted by Ms Anshu Kumari. The main objective of the workshop was to understand art as a pedagogical tool. To inculcate skill of planning and organising, age-appropriate activities must be included in the curriculum to promote better understanding of concepts.

The English Department of KIIT World School organized a workshop on 'Art Integration in English' to acquaint teachers with various forms of art that can be incorporated into their classroom teaching and enhance the teaching-learning process. The workshop highlighted the engrossing areas of learning such as Mimicry, storytelling, and Debates.

# Special Days

KIIT World School observed World Mental Health Day. A special assembly was organized on the occasion to understand the importance of the day. Students presented a role play to educate the audience about the impact of bullying on the mental health of children.

KIIT World School observed International Literacy Day. Students of XII B presented a special assembly on the occasion highlighting the importance of the day. Senior students took up a reading session with the toddlers wherein they made them read stories

Students of X B presented a special assembly on the occasion of International Day of the Girl Child. A heart-warming dance performance was presented by the dance troupe to highlight the plight of girl children in our society. A lot more needs to be done to provide equal opportunities to girls so that they soar high in the sky. The same was conveyed through poem recitation and presentation was the choir.

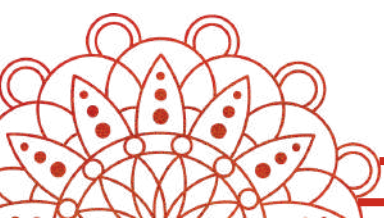

# Community Engagement

The Interact Club of KIIT World School organized a rally to sensitize and educate the people living in the vicinity of the school to celebrate eco-friendly Diwali. The rally was kick-started by Dr. Sangeeta Bhatia, Principal, and Ms. Sanjana Varman, Dean of Academics. The students participated enthusiastically, driving home the point to be more careful about our environment. The student volunteers went to the societies and distributed sweets and goodies bags to people and bringing smiles to their faces. Another pertinent point covered by the rally was to be kind to one and all and buy local products to help boost the local produce.

Continuing the spirit of festivities and Navratri, KIIT World School organized Dandiya wherein mothers of students participated wholeheartedly. The program began with ceremonial lamp lighting. A special 'Maa ka Darbar' was set up for the occasion where parents and teachers offered prayers and sought blessings. This was followed by the bhajans of Maa Durga. The entire atmosphere was soaked in the colours of divinity. There was a special dance performance depicting the nine avatars of Maa Durga and how modern women epitomize each avatar in the present scenario.

# Global Dimension

Bolstering the ties with our partner school, Waid Academy, Scotland. Sh Baldev Raj Kamrah, Founder Chairman, Dr Sangeeta Bhatia, Principal and Mr Anshuman Kamrah, Management Executive visited the counterparts to nurture the bond of friendship, and exchange best practices in teaching pedagogy to enhance the learning of students and mould them into multifaceted personalities.

# Global Dimension

KIIT World School in association with Gen Next Education, Inc. organized an 'Education Fair' for the students of class XI and XII. Representatives from Penn State University, University of New Mexico from the USA, Jacobs University, Bremen, Germany and VidyaShilp University, Bengaluru participated in this fair. The interesting features of the fair were seminars and workshops on career counseling, prospects of studying abroad, new streams and avenues, etc. Besides this, there were presentations by the participating institutions. About 300 students attended the fair along with their parents and got expert guidance from well-qualified teachers and professionals with access to the latest information and technical expertise.

# Parent Engagement

KIIT World School organized Parent Teacher Interaction in order to apprise the parents about the academic performance of their wards in the summative examination. The interaction was highly appreciated by the parents as they were given an opportunity to carefully study the exam papers of their children and find out the areas of improvement. The teachers gave valuable feedback to the students who accompanied their parents to bridge the gaps and enhance their learning.

## SCHOOL REPORTS

## KIIT World, Pitampura, teachers and students take part in global conference

The theme of the conference, which was organised on the occasion of World Environment Day, was 'Let's nurture nature for a better future'

The teachers and students from KIIT World School, Pitampura, attended a global conference held on the occasion of World Environment Day. The theme of the conference was 'Let's nurture nature for a better future'.

The guest speaker for the day was Souparno Banerjee from the Centre for Science and Environment. He apprised the audience of the harmful effects of plastic on the environment and what are the alternatives. He also talked about waste management, which is the need of the hour.

The guest speaker made the audience realise how small modifications in their lifestyle can bring about phenomenal change. Since we consume more, there is more generation of plastic waste. Sharing some shocking data on that critical issue, Banerjee said that 80 % of plastic waste is dumped, 79 % of all plastic produced ends up getting into oceans and water bodies and choking the life underwater, 12 % is burnt for generating energy and only 9 % is recycled.

All the major metro cities in India are the maximum producers of plastic waste, which is quite alarming. This is impacting the quality of life of people in those cities.

**GUEST SPEAKER  
SOUPARNO BANERJEE  
APPRISED THE  
AUDIENCE OF THE  
HARMFUL EFFECTS OF  
PLASTIC ON THE  
ENVIRONMENT AND  
WHAT ARE THE  
ALTERNATIVES.**

acknowledge that there is a need to take measures on a war footing and take responsibility for conserving the environment at individual, community and national levels. He encouraged the use of alternatives to plastics like bioplastics, biodegradable plastics, compostable plastics & conventional materials to name a few.

The session was followed by a quiz wherein the students answered the questions based on their understanding of the theme. The students shared ways to replace plastics in their daily lives like discarding the use of plastic straws, bottles and disposable cutlery, using cotton and jute bags for shopping, etc.

Vivek Rana from Water Aid, an international non-profit organisation working towards water sanitation

## 10वीं बोर्ड के नतीजों में दिल्ली के होनहार

## KIIT World School, Pitampura, organises awareness workshop

**The event focused on the quality vocational training for the apparel industry**

KIIT World School, Pitampura, organised an awareness workshop for the students of Classes 11 and 12 in collaboration with vocational training network Apparel Training & Design Centre and Medusa.

The workshop focused on the quality vocational training for the apparel industry.

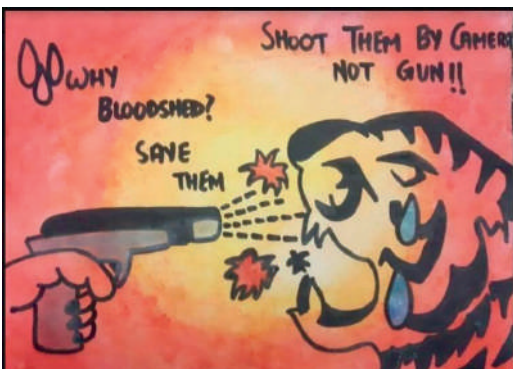

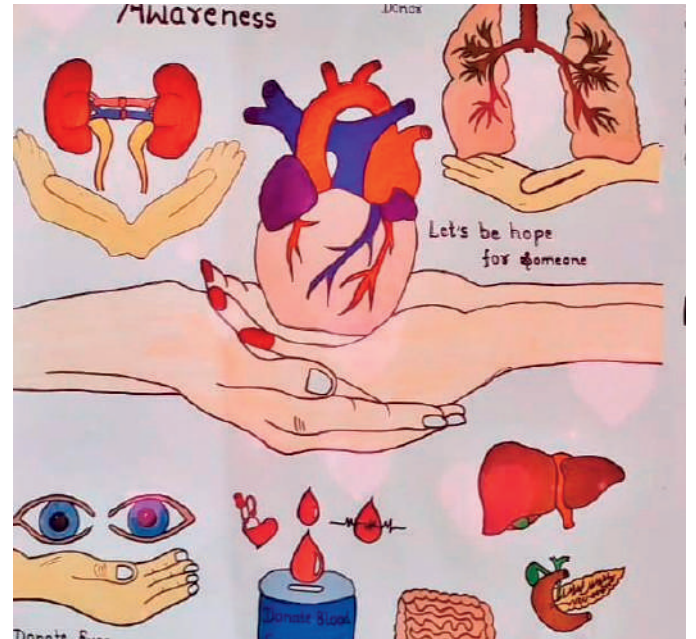

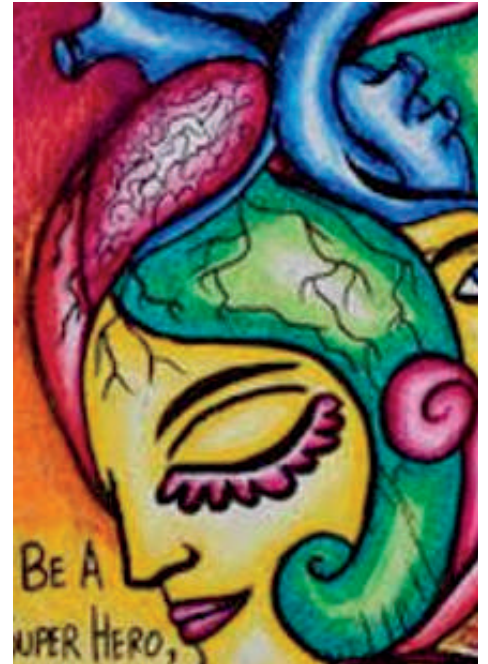

On that occasion, the students

were made aware of different opportunities that are available to them in this field apart from fashion designing and pattern making.

During the workshop, it was highlighted that the students from all the streams can further their chances in this upcoming industry and make a mark for themselves nationally and internationally.
